ESCAPE RANGE

escape range

* Optional microwave

Freedom to Explore

Looking for a campervan that you can use for work or play? Well the Escape is just what you are looking for. The Escape is sleek, stylish and compact enough to fit into the average family carport.

Not many campervans can boast sleeping four people comfortably and that is what sets the Winnebago Escape apart from the rest thanks to the unique drop down bed system. And that's not all, the 'storage garage' allows you to take all your 'toys' away with you on your adventures if you choose.

Don't rough it; the Escape has a large living area and a handy kitchen with refrigerator, 3 burner stove and sink. The bathroom is huge, a toilet, vanity and shower with hot and cold running water. And if you want to take a break from the heat, switch on the optional air conditioning or wind out the awning for a little shade to relax under. What more could you ask for?

The versatile Escape – where fun begins the moment you hit the road!

Features

- Four forward facing seat belt positions are provided as standard
- Two large living areas are provided including two front swivel reclining chairs
- Electric roll down double bed and two full length single beds provide comfortable beds for four people
- Fold up or remove the single beds to create "garage" storage to carry leisure items like motorbikes, bicycles, a quad bike, surfboards, golf clubs, mobility scooter and the like
- Use the Escape as a delivery or tradesman's vehicle during the week and take the weekend away in your fully self contained RV, offering potential tax deductions
- Oversized bathroom including vanity and flushing toilet
- Two way drawers and folding external table enhance outdoor living
- Built to Winnebago's stringent quality control processes at our state of the art factory
- Fully insulated walls and ceiling for greater comfort and reduced noise.
